## Letter from the President

We just heard the most exciting news! You are coming to visit Charlotte Motor Speedway, “The Greatest Place to See the Race” for the first time.

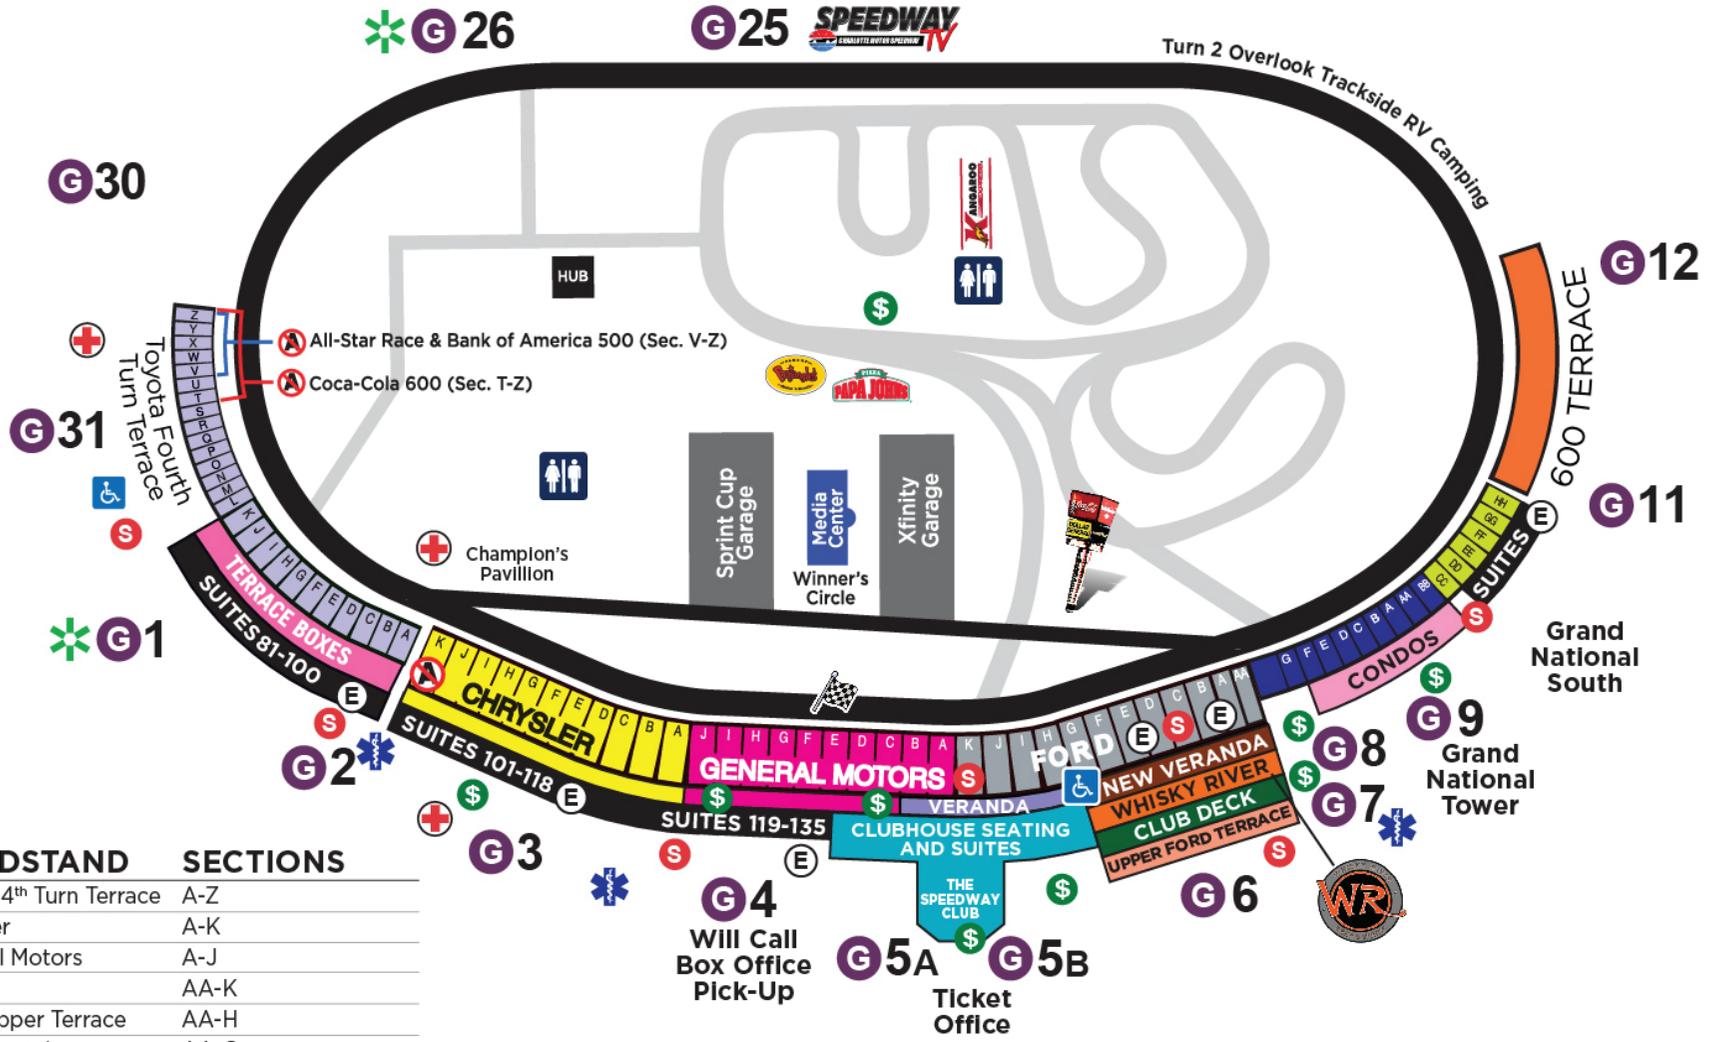

There are so many things for you to enjoy while you’re here and we want you to have a little “jump start” with some information about the surrounding area as well as some opportunities to save on fun activities where you will make incredible memories during your first visit to Charlotte Motor Speedway.

The reason we say you’re coming to “The Greatest Place to See the Race,” is that there are so many racing related activities you can do, **ONLY IN CHARLOTTE!** Have you ever visited the NASCAR Hall of Fame? Can you imagine touring state of the art facilities where these race cars are built, or seeing all the history that has made NASCAR the biggest spectator sport in America? You can do it! Ask one of our agents about our race shop tours and NASCAR Hall of Fame tours.

If you’re camping with us, check out the “pot luck” dinners, concerts and other activities planned for you during the week. If you are in need of information about gate times, ATM locations, and other directional information, please visit [www.CharlotteMotorSpeedway.com/FTF](http://www.CharlotteMotorSpeedway.com/FTF) for a wealth of knowledge!

Marcus G. Smith  
President & General Manager

P.S. While you’re here, if you have questions or take photos, use #FTF16 so we can answer your questions and share in your fun!
