Pets **are not** permitted in the grandstand areas during race event. Campers **are** allowed to bring the family pet when visiting campgrounds at Charlotte Motor Speedway. To insure the safety and enjoyment of all guests and campers, it is important that you read and abide by the following Pet Policy:

1. Aggressive dogs of any breed cannot enter or stay at CMS campgrounds. If your dog shows behavior that is protective and unfriendly to strangers, please leave it home. If you decide to bring your dog and it exhibits this type of behavior, CMS personnel will ask you to leave.
2. All dogs must be under the control and visual observation of their owner at all times. A **leash rule** is in effect whenever the animal is outside the owner's camping trailer, vehicle, motorhome or tent – **there are no exceptions**. No dog can be left tied up and unattended outside the owner's camping equipment.
3. Campers must clean up after their pets and properly dispose of the waste; this rule applies at all times no matter where the pets relieve themselves in the campgrounds or parking areas. Please do not walk your pet through another camper's site or allow them to relieve themselves on someone else's site.
4. Allowing your pet to bark uncontrollably day or night will not be permitted and in such event you may be asked to leave.

Service dogs are always welcome at all CMS campgrounds. However, these animals must follow leash restraint policies and may not exhibit aggressive behavior.
