# WELCOME TO ZMAX DRAGWAY

We're glad you're here and hope you enjoy the schedule of events planned during your visit. Please read the enclosed information very carefully to make your visit to CMS enjoyable and safe. The following rules will be strictly enforced by CMS Security and the Concord Police Department.

CMS owns and controls all rights to space locations for all events at the track. RV parking passes are temporary licenses for the space and time period that is printed on the pass. This permit licenses the holder to park one (1) vehicle in the assigned area for the event specified. Commercial activities of any kind are prohibited without prior written permission from Speedway Motorsports or CMS.

Park at your own risk; Speedway Motorsports/CMS and their officers, agents, employees and affiliates are not liable for any loss of any kind to vehicle or other property of the permit holder. Acceptance of this permit constitutes acknowledgment by holder that he/she has read and consents to the terms herein.

Any damage incurred to CMS property by individual RV/Campers will be the responsibility of the ticket/account holders who may be billed for such damages.

Due to constant improvements, there is no guarantee that your space will remain the same.

Campers are allowed to bring the family pet when visiting campgrounds at Charlotte Motor Speedway. Pets are not permitted in the grandstand areas during race events. To ensure the safety and enjoyment of all guests and campers, it is important that you read and abide by the following Pet Policy:

Aggressive dogs of any breed cannot enter or stay at CMS campgrounds. If your dog shows behavior that is protective and unfriendly to strangers, please leave it home. If you decide to bring your dog and it exhibits this type of behavior, CMS personnel will ask you to leave.

**A LEASH RULE** is in effect whenever the animal is outside the owner's camping trailer, vehicle, motor-home or tent - there are no exceptions. All dogs must be under the control and visual observation of their owner at all times. No dog can be left tied up and

unattended outside the owner's camping equipment. Campers must clean up after their pets and properly dispose of the waste; this rule applies at all times no matter where the pets relieve themselves in the campgrounds or parking areas. Please do not walk your pet through another camper's site or allow them to relieve themselves on someone else's site.

Allowing your pet to bark uncontrollably day or night will not be permitted and in such event, you may be asked to leave.

Service dogs are always welcome at all CMS campgrounds. However, these animals must follow leash restraint policies and may not exhibit aggressive behavior.
